Curriculum Vitae (Updated 7/15/2018)

ACADEMIC BACKGROUND

Education

Ph.D., Graduate School of Library and Information Science, University of Illinois at Urbana-Champaign, 1996.

M.L.I.S. University of Western Ontario, London, Canada, 1986.

B.A. in Library Science, Wuhan University, Wuhan, China, 1982.

Experience:

Professor, Syracuse University, 2014-present

Associate Professor, Syracuse University, 2005-2014

Assistant Professor, Syracuse University, 1999-2005

Assistant Professor, University of Southern Mississippi, 1996-1999

Teaching/Research Assistant, Graduate School of Library and Information Science, University of Illinois at Urbana-Champaign, 1994-1996

Graduate Assistant, East Asian Library & Veterinary Medicine Library, University of Illinois at Urbana-Champaign, 1992-1994.

Research Assistant, Graduate School of Library and Information Science, University of Illinois at Urbana-Champaign, 1991-1992.

Lecturer, Wuhan University, China, 1986-1991

Other experience:

Visiting Professor, Zhejiang University, China, 2008-10

Visiting scholar, University of Carlos III Madrid, May 5-18, 2008

Visiting scholar, Shanghai Library, China, June 2006

Visiting scholar, Online Computer Library Center (OCLC), September-November 2002

Consultant, Workforce Development Ontology for the Institute for Work and the Economy, 2001-2009

AREAS OF RESEARCH INTEREST

Information and knowledge organization: metadata, schema representation of information, ontological modeling

Scientific communication: scientific data management, impact assessment, collaboration networks

TEACHING RESPONSIBILITIES (* denotes a new course I developed)

IST459 Introduction to Database Management Systems

IST558* Technologies for Web Content Management

IST616 Information Resources: Organization and Access
 IST600* Data Services
 IST659 Data Administration Concepts and Database Management
 IST676 Fundamentals of Digital Data (old title: Digital Libraries)
 IST731* Knowledge Organization Structures
 IST681* Metadata
 IST687* Applied Data Science (old title: Scientific Data Management)
 IST777 Statistics in Information Transfer
 IST800* Doctoral Pro-seminar: Scholarly Communication
 IST971 Internship

GRANTS

Huang, Y. (PI), Liu, X., & Qin, J. (co-PIs). (2018-2021). Enabling Accessibility and Linking Media of Digital Collections in Academic Libraries. Institute for Museum and Library Services, National Leadership Grants for Libraries.

Qin, J. (PI) & Hemsley, J. (co-PI). (2016-2018). Cyberinfrastructure-Enabled Collaboration Networks. National Science Foundation Science of Science and Innovation Policy (SciSIP) program. \$381,481.

Huang, Y. (PI), Lankes, R.D., & Qin, J. (co-PIs). (2015-2018). Community as collection. Institute for Museum and Library Services, National Leadership Grants for Libraries. \$281,263

Brown, D. (PI), Couvares, P., Deelman, E., & Qin, J. (co-PIs). (2014-2017). CIF21 DIBBs: Domain-aware management of heterogeneous workflows: Active data management for gravitational-wave science workflows. National Science Foundation DataNet program. \$900,000

Qin, J. (PI), Stanton, J., & Wang, J. (co-PIs). (2013-2015). Discovering Collaboration Network Structures and Dynamics in Big Data. National Science Foundation Science of Science and Innovation Policy (SciSIP) program. \$290,567

Qin, J. (PI) & Crowston, K. (co-PI). (2013-2014). A Capability Maturity Model for Research Data Management Training and Performance Assessment. Inter-University Consortium for Political and Social Research / Alfred P. Sloan Foundation. \$18,000

Qin, J. (PI). (2011-2015). Producing Library Faculty to Educate the Next Generation of E-Science Professionals. Institute for Museum and Library Services, Laura Bush 21st Librarian Grant Program. \$741,936

Qin, J. (PI), Oakleaf, M., & Steinhart, G. (co-PIs). (2009-2012). Building an eScience Librarianship Curriculum for an eResearch Future. Institute for Museum and Library Services, Laura Bush 21st Librarian Grant Program, Grant # RE-05-09-0061-09. \$887,533

Qin, J. (PI) & Small, R. (co-PI) (2007-2009). Enhancing Scientific Data Literacy in Undergraduate Science and Technology Students. U.S. National Science Foundation Course, Curriculum and Laboratory Improvement Program. \$148,284

Qin, J. (PI) & Kwasnik, B. (co-PI) (2001-2002). Building an Interactive Digital Lab for Distance and Campus Students. Syracuse University Vision Fund. \$22,258

Qin, J. (PI). (1997). Cognitive Relevance in Citation Index and Citation-Semantic Searching: Antibiotic Resistance. Institute for Scientific Information (ISI) Citation Research Grant. \$3000

Qin, J. (PI). (1997). Computational Representation of Web Objects in an Interdisciplinary Digital Library: A Survey and an Experiment in Polymer Science. OCLC Library and Information Science Research Grant. \$9600

PUBLICATIONS

Book

Zeng, M.L. & Qin, J. (2016). *Metadata*. 2nd ed. Chicago: ALA-Neal-Schuman. Table of contents is available at <http://www.metadataetc.org/book-website2nd/index.html>. ISBN: 978-1-55570-965-5

Refereed Book Chapters

Qin, J. (2004). Web content management. In: H. Bidgoli (Ed.), *The Internet Encyclopedia*. Vol. 3, 687-698. New York: John Wiley & Sons. ISBN: 0-471-22201-1

Qin, J. (2002). Semantic patterns in bibliographically coupled citations. In: A. Kent (Ed.), *Encyclopedia of Library and Information Science*, Vol. 72 (pp. 341-365). New York: Marcel Dekker.

Conference/Panel Presentations

- Qin, J., Dobreski, B., & Brown, D. (2016). Modeling metadata with a KOS approach: A case of gravitational wave research data management. Presentation at Networked Knowledge Organization Systems (NKOS) Workshop, International Conference for Asian Digital Libraries (ICADL), Tsukuba, Japan, December 9, 2016.
- Qin, J. (2015). Turning data into knowledge: Modeling and structuring for Linked Open Data. Presentation at Networked Knowledge Organization Systems (NKOS) Workshop, International Conference for Asian Digital Libraries (ICADL), Seoul, Korea, December 9, 2015.
- Qin, J. (2014). Data literacy for data science professionals. Panel presentation at The 78th Association for Information Science and Technology Annual Meeting, October 31 - November 5, 2014, Seattle, Washington.
- Curry, R., Kim, Y., & Qin, J. (2013). What have scientists planned for data sharing and reuse? A content analysis of NSF awardees' data management plans. Panel presentation for the Research Data Access and Preservation (RDAP), April 4-5, 2013, Baltimore, Maryland.
http://www.slideshare.net/asist_org/rdap13-curry-what-have-scientists-planned-for-data-sharing-and-reuse-a-content-analysis-of-nsf-awardees-data-management-plans
- Qin, J., Ball, A., & Greenberg, J. (2013). Functional and architectural requirements for metadata: Supporting discovery and management of scientific data. Panel presentation for the Research Data Access and Preservation (RDAP), April 4-5, 2013, Baltimore, Maryland. http://works.bepress.com/jian_qin/8

- Qin, J. (2011). Developing Data Services to Support eResearch (half day). A tutorial presented at the International Conference on Asia-Pacific Digital Libraries (ICADL 2011), Beijing, China, October 24-27, 2011. <http://www.icadl2011.org/Tutorials.shtml>
- Qin, J. & D'Ignazio, J. (2008). Facilitating discovery of and access to scientific data through developing metadata and training scientific data managers. In: The 21st International CODATA Conference: Scientific Information for Society – From Today to the Future, Kyiv, Ukraine, October 5-8, 2008. <http://www.codata.org/08conf/abstracts/session-SharifRaed-The%20Social%20and%20Technological%20Issues%20in%20Scientific%20Data%20Management.htm>
- Qin, J. (2006). Metadata as the underpinning of sustainable and effective access to scientific data. Panel presentation at the CODATA'06: Scientific Data and Knowledge within the Information Society, October 22-25, 2006, Beijing, China.
- Qin, J. & Sharif, R. (2006). Metadata research: Models, schemas, and realities. Panel presentation at the ASSIT Annual Meeting, November 3-8, 2006, Austin, Texas.
- Qin, J. (2006). Encoding KOS: Languages for machine understanding and processing. Panel presentation at the Ninth International Conference for Knowledge Organization, July 5-9, 2006, Vienna, Austria.
- Qin, J. & Park, J. H. (2004). The Impact of open access journals on scientific collaboration: a methodological discussion. Panel presentation at the ASIST Annual Meeting, November 12-17, 2004, Providence, Rhode Island.
- Qin, J. & Hsiao, W. Y. (2004). How users search in educational digital libraries: Findings of GEM query log analysis. Panel presentation at the ASIST Annual Meeting 2004,
- Tarr, S. & Qin, J. (2004). Classifying fire service video clips with a user-centered approach. Panel presentation accepted by the ASIST Annual Meeting 2004. November 12-17, 2004, Providence, Rhode Island.
- Qin, J. (2002). Collaborative construction of a content architecture for digital resources. Panel presentation at ASIST Annual Meeting, November 18-21, 2002, Philadelphia, PA.
- Qin, J. (1999). Discipline- and industry-wide metadata schemas: semantics and namespace control. Panel presentation at ASIS Annual Meeting 1999.
- Qin, J. (1997). Semantic patterns in citation clusters: subject distribution and shifting in the literature of antibiotic resistance in pneumonia. Panel presentation at the American Society for Information Science Annual Meeting 1997.

Reports:

- Qin, J., Wang, J., & Stanton, J. (2016). Discovering Collaboration Network Structures and Dynamics in Big Data: Final report to National Science Foundation Science of Science and Policy Program grant award #1262535.

- Qin, I. & Crowston, K. (2014). A Capability Maturity Model for Research Data Management. <http://rdm.ischool.syr.edu/xwiki/bin/view/Main/>. Product from the Inter-University Consortium for Political and Social Research / Alfred P. Sloan Foundation grant.

INVITED LECTURES AND PRESENTATIONS

Americas & Europe:

Qin, J. (2017). The power of metadata in data-driven scholarship. Presentation given at the iSchool of Pittsburgh University.

Qin, J., Hemsley, J., & Costa, M. (2016). [From data to knowledge: Theoretical and methodological implications of CI-enabled data repositories on impact assessment](#). NIH and the Science of Science and Innovation Policy: A Joint NIH-NSF Workshop April 7th & 8th, 2016, Bethesda, MD.

“Stories from research frontline concerning data management and services.” Presentation at the 8th Annual University of Massachusetts and New England Area Librarian e-Science Symposium, April 6, 2016, Worcester, Massachusetts.
http://escholarship.umassmed.edu/escience_symposium/2016/program/9/

“Data Infrastructural Services: Challenges and Opportunities for Library and Information Professionals.” Keynote presentation at the Brazilian Conference of Research in Information Science, October 27-31, 2014, Belo Horizonte, Brazil.

“Data-Driven Research: Exploring New Territories in Information Science.” Presentation at the Brazilian Conference of Research in Information Science, October 27-31, 2014, Belo Horizonte, Brazil.

“Educating a New Breed of Data Scientists for Research Data Management.” Presentation at the Brazilian Conference of Research in Information Science, October 27-31, 2014, Belo Horizonte, Brazil.

“Educating a new breed of data scientists for scientific data management.” A panel presentation at Microsoft eScience Workshop, Chicago, Illinois, October 9, 2012. <http://research.microsoft.com/en-US/events/escience2012/agenda.aspx>

“Developing Data Services to Support eScience/eResearch.” A workshop presented at University of Washington Health Sciences Library, Seattle, Washington, April 17, 2012.

“Developing Data Services to Support eScience/eResearch.” Priscilla Mayden Lecture Workshop, Spencer S. Eccles Health Sciences Library, University of Utah, Salt Lake City, Utah, February 22, 2012. <http://library.med.utah.edu/or/pmayden/workshop.php>

“Scientific Data Management: 2011 Professional Development Day for New England Librarians. A One-Day Workshop.” Amherst, Massachusetts, March 16, 2011.
<http://libraryguides.umassmed.edu/2011PDD>

“Training New Types of Information Professionals for New Forms of Information Work: It’s About Skills and Products.” Panel presentation at the National Center for Atmospheric Research (NCAR) Library, Boulder, Colorado, November 17, 2010.

“Linking Entities in Scientific Metadata.” With Miao Chen. Presentation at Cornell University Library, October 15, 2010. <http://metadata-wg.mannlib.cornell.edu/forum/index.php?date=2010-10-15>

“Staying relevant: Adopting trusted strategies for resource management.” Presentation at the Central New York Science Librarians Meeting, SUNY ESF, Syracuse, October 17, 2008.

“Balancing between Content Standards and Local Requirements for Scientific Metadata.” Presentation at Cornell University Library, September 19, 2008. (<http://metadata-wg.mannlib.cornell.edu/forum/index.php?date=2008-09-19>)

“Folksonomies and Taxonomies: Where the Two Can Meet.” Presentation at the New Dimensions in Knowledge Organization Systems: A Joint NKOS/CENDI Workshop, Washington, DC, September 11, 2008. (<http://nkos.slis.kent.edu/2008workshop/JianQin.pdf>)

“Educational metadata and ontology development.” Presentation at Department of Library and Information Science, Universidad Carlos III de Madrid-España, May 5-16, 2008.

“Developing ontologies for information representation and access.” Invited presentation at KLA/KSMA Conference Louisville, Kentucky, September 21, 2007.

Asia:

“Transformation from Digital Libraries to Digital Repositories: New Requirements for Digital Scholarship Services in Libraries.” Invited presentation at the Advanced Digital Library Seminar Fuzhou, China, December 4, 2017. <http://jianqin.metadataetc.org/wp-content/uploads/2017/12/Digital-repository-transition.pdf>

“Big Metadata Analytics and Its Implications for Science of Science and Policy.” Invited presentation at the Data Analytics and Knowledge Discovery Conference, organized and hosted by Chinese Academy of Science Library, Beijing, June 8-9, 2017.

“From Digital Scholarship and Open Scholarship to Data-Driven Scholarship: Experiences and Thoughts.” Invited presentation at the Advanced Seminar for Digital Libraries, Shanghai, China, December 5-6, 2016.

“Digital Citizenship and Library’s Social Responsibility and Services in the Digital Era.” Invited presentation at the Advanced Seminar for Digital Libraries, Shanghai, China, December 5-6, 2016.

“Data Science and What It Means to Library and Information Science.” Invited lecture at the iSpeaker Series, Sungkyunkwan University, Seoul, Korea, December 8, 2015.

“Managing Research Data.” Invited lecture at the Library of Sungkyunkwan University, Seoul, Korea, December 10, 2015.

- “Transforming Data to Knowledge: Challenges and Opportunities at the Conjunction of Data Science and Libraries.” Invited presentation at the National Science and Technology Library / the Library of Chinese Academy of Science, Beijing, China, November 2, 2015.
- “Do No Harm: An Introduction to the Institutional Review Board System for Research Projects Involving Human Subjects.” An invited presentation given at summer school for doctoral students at Nankai University, Tianjin, China, July 5, 2015.
- “Research Lifecycle, Data Lifecycle, and Data Infrastructure Services.” Keynote at the Academic Libraries Directors Meeting, Yi-Lan University, Yi-Lan, Taiwan, May 15, 2014.
- “Research Lifecycle, Data Lifecycle, and Data Infrastructure Services.” Invited lecture at the China National Library of Science, Beijing, Mainland China, June 26, 2013.
- “Data Infrastructure Services and Data Librarians: What Can You Do and Contribute?” Invited presentation at the Advanced Seminar for Digital Libraries, Shenzhen, Mainland China, June 5-7, 2013.
- “Data Management Requirements and Modeling.” Invited tutorial at the Advanced Seminar for Digital Libraries, Shenzhen, Mainland China, June 5-7, 2013.
- “Data Services: What It Means and How to Do It.” A presentation given at:
- Xiamen University Library, Xiamen, Mainland China, June 8, 2012
 - Wuhan University Library, Wuhan, Mainland China, June 12, 2012
- “Developing Data Services to Support eResearch” (half day). A tutorial presented at:
- Library of the Chinese Academy of Science, Beijing, Mainland China, October 25, 2011.
 - Beijing University Library, Mainland China, October 26, 2011.
 - Wuhan University Library, Mainland, China, December 18, 2011.
- “Linking Data.” Presentation at the Shanghai Library Science Association, Shanghai, Mainland China, June 25, 2011.
- “Promoting Scholarly Communication: How to Kick off an SC project?” Presentation at the Chinese Academic Libraries Forum and the Advanced Digital Library Seminar, Chengdu, Sichuan, Mainland China, June 22-24, 2011.
- “eScience and Innovative Library Services.” Presentation at the Chinese Academic Libraries Forum and the Advanced Digital Library Seminar, June 22-24, 2011, Chengdu, Sichuan, Mainland China.
- “Research in library and information science in Western countries.” Keynote at the Annual Conference of Shanghai Library Science Association, Shanghai, Mainland China, December 23, 2009.
- “Developing an OWL-encoded conceptual model.” Presentation at the Library of Chinese Academy of Sciences, Beijing, Mainland China, March 10, 2009.
- “Social semantics and controlled semantics.” Presentation at the National Library of China, Beijing, Mainland China, December 19, 2008.

- “E-Science/E-Research: Challenges and opportunities for academic libraries.” Presentation at:
- Renmin University of China, Beijing, December 19, 2008
 - Advanced Digital Library Seminar, Shanghai Jiaotong University, Shanghai, Mainland China, December 16, 2008
- “The impact of digital technology on library technical services and skills required for technical services librarians.” Presentation at Advanced Digital Library Seminar, Shanghai Jiaotong University, Shanghai, Mainland China, December 16, 2008
- “XML applications in digital libraries.” A three-day lecture given at the Joint Advanced Seminar for Digital Libraries co-organized by iSchool Syracuse University and National Library of Science Chinese Academy of Science, Shanghai, Mainland China, May 26-28, 2008.
- “Digital library technologies and development in the U.S.” Presentation at the Advanced Workshop for Digital Libraries, Guilin, Guangxi, Mainland China, August 13-16, 2007.
- “Design of ontologies.” Presentation at the Advanced Workshop for Digital Libraries, Guilin, Guangxi, Mainland China, August 13-16, 2007.
- “Extracting vocabularies from query logs.” Presentation at the Advanced Workshop for Digital Libraries, Guilin, Guangxi, Mainland China, August 13-16, 2007.
- “An overview of recent developments in digital library practices and technologies in the United States.” Presentation given at the Open Forum for Digital Libraries, co-organized by Shanghai Library and National Library of Science Chinese Academy of Science, May 28, 2007, Shanghai, Mainland China.
- “Overview of digital asset management.” Presentation given at Shanghai Library for the Shanghai Library Association, Shanghai, Mainland China, June 30, 2006.
- “Using knowledge organization systems to support searching in indexing databases.” Presentation at Shanghai Library for the Shanghai Library Association, Shanghai, Mainland China, June 23, 2006.
- “Ontology development and implementation.” Presentation given at Zhejiang Provincial Library for the Zhejiang Library Association, Hangzhou, Mainland China, June 16, 2006.
- “Ontology development and implementation.” A three-day lecture given at the Library of Chinese Academy of Science, Beijing, Mainland China, May 22-24, 2006.
- “Using knowledge organization systems to support searching in indexing databases. Presentation at the Shanxi Agriculture Academy, Taiyuan, Mainland China, May 19, 2006.
- “Building a Semantic Network for Information Retrieval; Semantic Web and Ontologies.” Presentations at:
- a. China Academic Library and Information System (CALIS) (July 4-8, 2005),
 - b. Tsinghua University Library (June 24, 2005),
 - c. the Library of Chinese Academy of Science (June 25, 2005),
 - d. Library Associations of Zhejiang Province, Jiangsu Province, and Shanghai (June 30-July 1, 2005), and
 - e. Xiamen University Library (July 3-8, 2005)

“Metadata and the organization and management of scientific data and information”; “The role of academic libraries in building digital learning resources”; “Semantic Web and ontologies.”

Presentations at

- a. The Advanced Seminar for Digital Library Research and Development, Shenzhen University Town, Shenzhen, Mainland China, June 23-25, 2004;
- b. The Third Advanced Seminar for Network Information and Technology Development, Beijing Document Services, Beijing, Mainland China, June 28-29, 2004; and
- c. Wuhan University Library, Wuhan, Mainland China, July 1-2, 2004:

“Introduction to Semantic Web standards, technologies, and applications. ” A one-day workshop at Beijing University Library, Mainland China, December 20, 2003.

“Introduction to Semantic Web standards, technologies, and applications. ” A half-day seminar at Tsinghua University Library, Mainland China, December 22, 2003.

“Introduction to Semantic Web standards, technologies, and applications. ” A half-day seminar given at Shanghai Jiaotong University Library, Mainland China, January 2, 2004.

“Knowledge management and technology: Challenges and opportunities for libraries.” Presentation at *Symposium of Knowledge Management*, Beijing, Mainland China, May 20, 2002. Sponsored by Chinese Academy of Science Library and Information Center.

“Introduction to eXtensible Markup Language (XML).” A tutorial at the *Second Advanced Seminar for Network and Information Technology 2000*, sponsored by Beijing Document Service, Beijing, Mainland China.

“Technology and Standards for Information Resource Sharing.” A three-day seminar at the Second Summer Workshop for Advanced Librarianship, Sichuan University, Chengdu, Mainland China, July 19-22, 1999.

SERVICES

Institutional Committees and Services

Syracuse University:

- Presentation on Open Access Publishing at the Graduate School Panel, February 16, 2011

School of Information Studies, Syracuse University:

- Curriculum Committee, member, 2003-2004, spring 2010
- Distance Education Committee, 2002-2003, 2006-2007
- Faculty Advisor for IST SLA Student Chapter, 2001-2006
- Financial Aid Committee, IST, member, 1999-2000
- Personnel Committee, Chair, 2010-2011; member, 2001-2002, 2011-2012
- Ph.D. Committee, 2006-2008, 2013-2014
- Search Committee, Chair, 2010 spring
- Search Committee, Chair for MLS Search, 2000-2001
- Search Committee, 2006-2007, 2010 spring
- Search Committee for GEM project specialist and cataloger, member, 1999-2003
- Technology and Web Committee, 2004-2005.

School of Library and Information Science, University of Southern Mississippi:

- Student Activities Committee, Chair, 1997-1999
- Search Committees for Director and Assistant Professor Positions, member, 1996-1999.
- Designer and master of the web site at School of Library and Information Science, 1998-1999

Professional Services

Editorial Board

- *Data Analytics and Knowledge Discovery*, member, 2003-present (formerly *Modern Library and technology*, Published by the Chinese Academy of Science Library and Information Center)
- *Chinese Journal of Library and Information Science*, 2007-present (Published by the Chinese Academy of Science Library and Information Center)
- *Information Research: An International Electronic Journal* (<http://informationr.net/ir/>), member, 1999-2003

Committees

Dublin Core Metadata Initiative (DCMI)

- Advisory Board, member, 2010-2014
- DC-Science and Metadata Community, co-leader, 2010-2014

American Society for Information Science and Technology

- Best Information Science Book Award Jury Committee, Chair, 2003
- Awards and Honors Committee, member, 2002
- ISI/ASIS&T Citation Research Grant Jury Committee, member, 1999-2001
- SIG/Scientific and Technology Information, Coordinator of Student Award, 1999-; Chair-elect, 2004-2005, Chair, 2005-2006
- Standards Committee, member, 2006-2007

Special Libraries Association

- Committee on Cataloging, Chair, 2002-2003; member, 2001-2003
- Upstate New York Chapter Advisory Board, member, 2001-2003

Workshops Organized and Presented

Big metadata analytics: Setting a Research Agenda for Data-Intensive Future (BMA2018), at the Association for Information Science and Technology Annual Meeting, November 14, 2018, Vancouver, Canada. Co-organizers: Jian Qin, Chaomei Chen, Jane Greenberg, Jeff Hemsley, Dietmar Wolfram.

Building Capabilities for Sustainable Research Data Management Practices: A Workshop at the International Conference for Digital Curation, February 20-24, 2017, Edinburg, UK. Co-organizers: Jian Qin, Kevin Crowston, Liz Lyon, Angus Whyte, & Johnathan Rans.

Metadata Modeling and Knowledge Representation for Research Data.” A Dublin Core Regional Workshop at the International Conference for Asian Digital Libraries, Tsukuba, Japan, December 9, 2016. Co-organizers: Jian Qin, Marcia Zeng, Shegeo Sugimoto, Xia Lin, and Atsuyuki Morishima.

National Science and Technology Library / SU iSchool Workshop on Scientific Data Services and Practices.

- November 2-6, 2015, Beijing, China
- May 23-27, 2016, Beijing, China
- June 12-16, 2017, Beijing, China

Building capabilities for sustainable research data management practices: A workshop for the Research Data Access and Preservation Summit, March 26-28, 2014, San Diego, CA. Co-organizers: K. Crowston & J. Qin.

CAMP (Cyberinfrastructure and Metadata Protocols)-4-DATA: A DCMI-Science and Data (SAM) Workshop. Co-Organizers: J. Greenberg, A. Ball, K. Jeffery, R. Koskela, J. Qin. Dublin Core International Conference (DC-2013), September 2-6, 2013, Lisbon, Portugal.

Data Science and Analytics: What Is in It for iSchools? Co-organized by Jian Qin and Kevin Crowston. iConference 2012, Toronto, Canada, February 7-10, 2012.

A DC-SAM Workshop: Research and Best Practices in Linking Scientific Metadata. Co-organized by Jian Qin, Jane Greenberg, and Norman Gray. *The International Conference on Theory and Practice of Digital Libraries, September 26-28, 2011.*
<http://eslib.ischool.syr.edu/SAM/> (accepted but we decided to cancel it due to low number of submissions)

New Dimensions in Knowledge Organization Systems: A Joint NKOS/CENDI Workshop, The World Bank, Washington, DC, September 11, 2008
http://cendievents.foinfintl.com/kos_workshop_091108/

Joint Advanced Seminar for Digital Libraries co-organized by National Library of Science Chinese Academy of Science and Syracuse University School of Information Studies
 May 18-30, 2008, Shanghai
 May 15-27, 2007, Shanghai
 May 15-26, 2006, Beijing
 May 16-27, 2005, Beijing

Advanced Digital Library Seminar, Program Committee member
 June 23-25, 2004, Shenzhen
 July 7-8, 2005, Xiamen
 August 13-17, 2007, Guilin
 December 16-18, 2008, Shanghai
 July 8-11, 2009, Wuhan
 July 21-23, 2010, Haerbin
 June 23-25, 2011, Chengdu
 June 5-7, 2013, Shenzhen

Reviews

Review panels:

- US Department of Defense (DOD) National Defense Science and Engineering Graduate Fellowship Program Panel Evaluation, February 2011.
- US Department of Energy (DOE) panel reviewing the overall effectiveness, technical capabilities, and mission relevance of the Office of Scientific and Technical Information (OSTI), September 2009

Journal article reviews:

- BMC Complementary and Alternative Medicine (BMC = BioMed Central)
- Electronics and Telecommunications Research Institute (ETRI) Journal (Korea)
- Information Processing and Management
- Information Research (UK)
- Journal of the American Society for Information Science and Technology
- Journal of Information Science
- Journal of Systems and Software
- New Review of Hypermedia and Multimedia (UK)
- PLOS ONE
- Scientometrics

Research Grant Proposal and Fellowship Reviews:

- Austrian Science Fund
- Indo-US Science and Technology Forum (IUSSTF)
- National Science Foundation, Directorate for Social, Behavioral & Economic Sciences
- National Science Foundation, Directorate of Earth Sciences, Geoinformatics Program
- National Science Foundation International Fellowship Program
- Singapore National Institute for Education

Review for book publisher:

Springer

Conference Reviews:

- ASIST Annual Conference, 1999-
- Dublin Core Conference 2003, 2005, 2008-
- I-Conference, 2007-
- The Seventh International Conference on Digital Libraries

Panels Organized and Moderated

Research Data Access and Preservation Summit, New Orleans, LA, March 22-23, 2012: “Teaching and training for research data informaticians.”

ASIST Annual Meeting 2006: “Access to Scientific Data: Challenges and Strategies.”

ASIST Annual Meeting 2006: “The Metadata Research Landscape.”

ASIST Annual Meeting 2005: “Managing Scientific Data and Information: A Technical Discussion.”

ASIST Annual Meeting 2004: “Metadata and Standards.” (Paper session moderator)

ASIST Annual Meeting 2002: “Deeper Representation of Digital Information: from Metadata to Semantic Data.”

ASIS&T Annual Meeting 2000: “Conquering the Babel: Cross-Lingual Information Retrieval.”

ASIS Annual Meeting 1999: “The Metadata Architecture: Issues, Problems, and Future Research.”

ASIS Annual Meeting 1999: “Discovering Knowledge Networks: from Document Representation to Content Linkages.”

Organizer and moderator of a panel proposal accepted by ASIS Mid-Year 1999. "Access to Scholarly Information via Professional Societies' Web Sites: Content, Means, and Uses." (Withdrawn due to conflicting schedules)

ASIS Annual Meeting 1997 "Multilingual Databases in the Networking Age: Strategies for Connecting Producers and Users."

MEMBERSHIPS

American Association for the Advancement of Science
American Society for Information Science and Technology
